CONFEDERATION OF REPUBLIC OF IRELAND SUPPORTERS' CLUBS CONSTITUTION

ARTICLE 5. Membership

Annual Membership will run for the duration of the football season to which it refers (1 August to 31 July the following year)

All Affiliates will be required to nominate, and provide contact details for, one designated individual who will act as the focal point for all communication between the SC and CRISC.

Three categories of Membership will exist. These will be known as Full Membership, Associate Membership and Overseas Membership.

All affiliated clubs are responsible to pay their annual membership fee set out by the sitting committee.

5. (1) Full Membership

(a) Full Membership was initially conferred on all those clubs who were present at the inaugural meeting of the Confederation in March 2013, and who have continued to be involved in subsequent meetings designed to agree the formal rules under which the Confederation should operate.

(b) Full membership will be extended to any club which has completed its Qualifying Season and has satisfied the following criteria:

(1) A club, which has held, and continues to hold, no less than 10 FAI Season Tickets registered in the Club's name, throughout the duration of most recent World Cup or European Championship qualifying campaign.

(2) Holds an up to date list of subscribing club members with whom it communicates regularly, and meets at least once a year for the purpose of reporting on the business of the club and electing a managing committee.

CONFEDERATION OF REPUBLIC OF IRELAND SUPPORTERS' CLUBS CONSTITUTION

- (3.a) Has a written constitution which lists the basic principles under which govern how the club conducts its business.
- (3.b) This document includes a strategy designed to ensure within reason that match tickets, acquired by the Club under the auspices of CRISC, are only supplied to individuals who are meaningfully connected to the Club and are not under any circumstances, re-sold at a cost which is greater than the nominal value of the ticket.
- (4) Conducts its business with FAI through a dedicated bank/building society/credit union account which has been set up expressly for this purpose.
- (5) Has completed at least one Qualifying Season (QS) as an Associate Member of CRISC. (Any SC must have an elected committee, a dedicated bank account and hold 10 ST's before the Qualifying Season can be embarked upon. A constitution must be in place by the date of the AGM at the end of the QS.)

CONFEDERATION OF REPUBLIC OF IRELAND SUPPORTERS' CLUBS CONSTITUTION

5. (2) Associate Membership

Associate Membership may be offered to any SC which does not currently meet the criteria for Full Membership but can clearly demonstrate that they are working towards achieving the required entry criteria. An Associate Member will be placed on FAI's CRISC mailing list once CRISC is satisfied that the club has genuine aspirations to become a fully integrated member of CRISC.

CRISC will assign a resource from within the existing Membership to work with any such Club in order to assist them as necessary in achieving the criteria required to become a Full Member.

A Club must have an elected committee, a Constitution, a dedicated bank account and lay claim to a minimum of 10 Season Tickets issued in its name before its Qualifying Season can formally commence.

CONFEDERATION OF REPUBLIC OF IRELAND SUPPORTERS' CLUBS CONSTITUTION

5. (3) Overseas Membership

Overseas Membership may be offered to a SC which is not based on the island of Ireland and was not party to the initial gathering which resulted in CRISC being established.

Logistical issues associated with the location or nature of an overseas SC may mean that it would be unreasonable for standard membership criteria to be applied and the Committee will consider any application for membership from an overseas SC on its individual merits and agree upon specific membership criteria to be applied uniquely to the SC in question.

5. (4) Membership Fees

(a) Each Affiliated SC will be required to pay an annual membership subscription which will relate to the membership status of the SC during the forthcoming season.

(b) Three different categories of membership fee will be applied. These will be known as Full Member Fee, Associate Member Fee and Overseas Member Fee.

(c) The level of annual fee will be agreed by the sitting Committee and formally ratified by the Membership at the AGM each year.

(d) Annual Membership Fees will be due each year on the date of the AGM or no later than 2 weeks after the AGM unless the SC come to a satisfactory alternative arrangement with the Treasurer. In any event, all Fees must be paid in Full before 31 August of each season.

(e) CRISC will communicate with any Affiliated SC which has failed to pay the appropriate membership fee within the proscribed time scale, advising them failure to deal with the matter within 14 calendar days of notification will render their continued membership of CRISC and all the benefits thereof liable to suspension. This will include privileged access to match tickets and all CRISC social events.

(f) The Treasurer will liaise with the Ticket Office to ensure that it has access to an up to date record of those SC's which have paid the appropriate Membership fee.

CONFEDERATION OF REPUBLIC OF IRELAND SUPPORTERS' CLUBS CONSTITUTION

5. (5) Annual Membership Renewal

As part of the preparation for the AGM, the Committee will ensure that all Affiliated Members continue to meet, or are actively working towards achieving, the criteria laid down for the relevant membership category before applying the corresponding membership fee.

The Committee will initiate action as necessary to deal with any anomalies which may manifest themselves – examples of this might be a Full Member who no longer holds the requisite number of Season Tickets or, an Associate Member who now satisfies the criteria for Full Membership or conversely, an Associate Member who is unable to demonstrate that they are actively working towards achieving Full Membership.

The Secretary will notify in writing, any SC whose Membership status is changing subject to the above provisions.

5. (6) Privileges and Responsibilities of Membership

(a) All Members, regardless of category will be required to conduct their affairs in accordance with CRISC's Code of Conduct.

(b) All affiliated SC's, regardless of Membership Category, will be entitled to avail of all CRISC ticketing privileges and access to CRISC run social and charitable events.

(c) All affiliated SC's, regardless of Membership Category, will be required where reasonable, to attend, or be represented at all General Meetings.

(d) All affiliated SC's, regardless of Membership Category, will be required to support where reasonable, all CRISC sponsored initiatives.

(e) Only Full Member SC's will be entitled to vote at CRISC General Meetings with the exception of full membership overseas clubs that can avail of the electronic voting option.

(f) Voting rights will be restricted to a single vote for each eligible SC.

(g) All Members will be required to ensure that the contact details provided to the Secretary for communication between the SC and CRISC are up to date and that all correspondence is dealt with in an appropriate and timely manner.

- Treasurer,
- Ticketing Officer,
- Social Media Officer
- Development Officer (x2),
- Fund Raiser.
- Merchandiser

The holders of the above positions may be required to 'double up' and shadow one of the other roles to help introduce an element of continuity and support and thereby reduce the potential for an individual officer bearer becoming over-burdened or detached.

(c) The Chair will be CRISC's principal officer and will preside over all meetings of the Committee, will direct the inputs of all other Committee members in accordance with agreed priorities and lead CRISC in its dealings with other organisations and groupings.

The Chair may delegate roles and responsibilities as he or she considers appropriate.

(d) The Secretary will be CRISC's deputy principal officer and will deputise for the Chair when required. The Secretary will be responsible for the administration of all CRISC meetings. This will involve issuing invitations, providing agendas, keeping minutes of meetings and updating action points as appropriate.

CONFEDERATION OF REPUBLIC OF IRELAND SUPPORTERS' CLUBS CONSTITUTION

(j) Committee Members will desist from engaging in areas of involvement which are nominally the responsibility of a colleague without first consulting that colleague or the CRISC Chair.

(k) The Chair may set up ad-hoc groups to work on initiatives which may either, not necessarily fall within the remit of a specific Committee post, or be too onerous for a single person to manage. The Chair may involve individuals from outside of the Committee to participate in such groups and any individual or group so appointed, will report directly to the Chair.

CONFEDERATION OF REPUBLIC OF IRELAND SUPPORTERS' CLUBS CONSTITUTION

(l) Partnerships and affiliates

(c) The Agenda, which will be circulated no less than 2 weeks prior to the AGM, will include details of nominees and the positions which they are interested in.

(d) CRISC will seek to strike a balance between having a settled and effective Committee and at the same time ensuring that any SC which would like to be involved in the Committee is given an opportunity to do so.

(e) In recognition of the potentially important nature of any ongoing internal or external dealings being conducted by the Chair, any potential candidate for this particular post will be required to have a working knowledge of the issues and personalities involved in any uncompleted business.

**CONFEDERATION OF REPUBLIC OF IRELAND
SUPPORTERS' CLUBS CONSTITUTION**

- (f) The Secretary may on occasions be expected to deputise for the Chair and may therefore become personally involved in ongoing key issues. As a result of this, all reasonable efforts will be made to avoid the situation where the Chair and the Secretary leave their posts at the same time.
- (g) Elections will only require to take place where there is more than one nomination received for any given Committee position.
- (h) Elections will be scheduled to take place immediately after the outgoing Committee have delivered their respective reports and dealt with any questions from the floor.
- (i) All elections to the Committee positions will take place by secret ballot or a show of hands whichever is preferable to the candidates.

- (k) The Committee will stand down and a temporary Chair will be appointed to oversee proceedings. An independent teller may also be enlisted to assist in the counting of any voting that is required.
- (l) The Chair will be the first position to be filled, followed by the Secretary and then any position which may be uncontested.
- (m) Elections will then take place for those positions which are contested and a candidate will require a simple majority to become elected. Where there are more than two candidates and no-one achieves a majority, the candidate with the fewest votes will be eliminated and a further ballot held, and so on, until a majority is achieved.
- (n) The Committee will have the authority to co-opt in the event a mid-term Committee vacancy occurring. This may, if considered appropriate, involve a re-shuffle of existing Committee post holders. The co-opted member will be a fully empowered member of the Committee and enjoy full voting privileges for the duration of their tenure.

CONFEDERATION OF REPUBLIC OF IRELAND SUPPORTERS' CLUBS CONSTITUTION

7. (3) Role and Responsibilities of the Committee

(c) The Committee will be entitled to act or make a decision in relation to a matter which is not contained in the constitution but will be required to update the constitution accordingly at the next AGM.

(d) A simple majority vote will suffice to validate any decision made in Committee. The Chair may in the event of a tie use a casting vote to break this deadlock.

(e) A Sub-Committee will be formed and charged with investigating any allegations or apparent breaches of the Code of Conduct by a member club or one of its members. It will report back its findings to the CRISC Committee. It will be empowered to suspend the club during the investigation. The Sub-Committee will consist of two CRISC Committee Members and one member from any other SC not represented on the Committee. No member may sit on this Committee if their club is involved in the alleged breach. In the event of a serious breach the CRISC Committee will report the incident to the relevant authorities.

The following procedures will apply in such cases:-

- (i) The Secretary will write to the SC concerned, advising of the allegation being investigated and giving the SC an opportunity to present its perspective on the allegation.
- (ii) The subject SC will be given a timescale within which to respond and will be entitled to ask the Sub-Committee for a personal hearing if they so choose. In the absence of a response

CONFEDERATION OF REPUBLIC OF IRELAND SUPPORTERS' CLUBS CONSTITUTION

from the SC, the Sub-Committee will base its deliberations solely on the information available to it.

- (iii) The Sub-Committee will deliberate and communicate its findings to the CRISC Committee. The CRISC Committee will then contact the SC involved and inform them of the findings of the Sub-Committee
 - (iv) The subject SC will be given a further 14 days to challenge an outcome which it doesn't agree with after which time the decision will be confirmed. Any challenge must be in writing and involve new information. The Committee will not consider a challenge based solely on information it has already considered.
 - (v) The Committee will consider any new information that is provided as part of a challenge and either overturn or uphold its initial decision. The decision reached following a considered challenge will be final and binding.
 - (vi) Any SC which is either suspended or expelled as a result of disciplinary proceedings will not be entitled to a refund on any membership fee already paid.

- (h) Committee members will refrain from discussing CRISC business on social media networks and ensure that personal views and opinions expressed in related conversations are clearly identifiable as such and cannot be interpreted, mischievously or otherwise, as the views and opinions of CRISC
